In 2009 the City of Bisbee received a grant through the State Historic Preservation Office to update and enhance the Design Review Guidelines for the Bisbee Historic District. The Planning Center of Tucson Arizona was has been contracted to complete the project and present the project to the City.

The original Design Guidelines publication was produced in 1991 and was awarded “Best Ordinance/Regulation in the State of Arizona. This updated version has been designed to have greater depth, acknowledge updates to the Zoning code and to be viewed primarily on the City website.

Item 1 was discussed by the board members; minor changes were suggested and noted by staff. The board members did not make a recommendation to city staff at this time. The updated version of the guidelines for the Bisbee Historic District will be discussed again at a future meeting.
