Public Meeting Regarding Use of CDBG Funds

The City of Bisbee is expected to receive approximately \$327,000 in FY09 Federal CDBG funds from the Arizona Department of Housing Regional Account (RA). CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight, or address urgent need. Based on citizen input as well as local and state planning objectives, one potential project has been selected to forward to the State of Arizona with a request for funding. A public meeting will be held at the regular City Council meeting at 118 Arizona St. on April 21, 2009, at 7:00 p.m. to discuss the potential project. It is expected that the City Council will select the project at this meeting and adopt applicable resolutions. The potential CDBG project is named and described as follows:

1. To provide street improvements in the area known as "Bakerville", specifically, portions of American, Pittsburg and Park Avenues.
